

United States Department of State

Washington, D.C. 20520

JUL 11 2003

Dear Mr. Speaker:

Pursuant to Section 36(d) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed manufacturing license agreement for the manufacture of significant military equipment abroad.

The transaction contained in the attached certification involves the export of defense services, technical data and defense articles to the United Kingdom to support the manufacture and assembly of the Javelin missile seeker system as part of the United Kingdom Ministry of Defence's Light Forces Anti-Tank Guided Weapon system program.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Enclosure:

Transmittal No. DDTC 067-03

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
